

DIGITAL PHOTOGRAPHER

NET-A-PORTER is an established global Internet retailer of cutting edge luxury fashion labels relied upon for its exceptional quality of service and eye for the next big thing. With an expanding domestic and global market, and revenues increasing month on month, critical strategic change is on the agenda, in order for us to achieve the objective of dominating our sector as a truly successful force in online retail.

"... the slickest high-fashion magazine-style website" Sunday Times Style, UK

"...when fashion and technology cross the result is NET-A-PORTER.COM. The trendiest online boutique, a glimpse at shopping in the third millennium" French Vogue

We have a fantastic opportunity for an enthusiastic individual to join our team of photographers to work within our studio team, bringing the NET-A-PORTER repertoire of products to life through high quality digital photography. You will use beautiful lighting and a strong eye for detail, thereby constantly improving the shopping experience at NET-A-PORTER.

Responsibilities

- Working in the studio team alongside the stylists taking digital images of NAP products.
- Ensuring that all products are lit correctly, efficiently and creatively, in accordance with NAP guidelines.
- Producing high quality and consistently beautiful images, ensuring they are correctly exposed and colour consistent.
- Prepare sets, checking that all equipment is functioning, setting up appropriate lighting and keeping accurate daily shoot records.
- Name and maintain digital asset file
- Cropping and processing of all images, maintaining file size specification guidelines.
- Perform quality assurance on all images, ensuring colour consistency between images
- Accurately archiving images to be easily accessed by other NAP departments.
- Ensuring all images are ready in advance of online sales.
- Meeting daily and weekly deadlines to prepare for new website material.
- Aiding the Product Photography Manager in implementing and executing creative direction from Editorial and Art Director.
- Taking on responsibility for special product photography projects.
- Responsible for other additional ad hoc duties within the Studio.
- Responsible for training new members of the photography team.

- Ability to work well within a team working well under pressure with a flexible attitude.
- Responsible for care and upkeep of all studio equipment, props and supplies.

Essential Skills & Requirements

- Previous experience in studio environment.
 - Proven experience with digital cameras and lighting
 - High technical proficiency in PhotoShop, Capture One and networked computers
 - Ability to work well within a team
 - Ability to work well to deadlines and under pressure
 - Proactive and able to take initiative
 - Detail oriented and creative.
-
